

Interfaith
OF THE WOODLANDS

ANNUAL REPORT

STRONGER TOGETHER

The first half of 2017 proved to be another service-filled year, with programs like distributing food to our hungry neighbors, planting and harvesting our Veggie Village, performing light home repairs and landscaping help for our seniors, providing clothing vouchers to the Hand Me Up Shop, and working with the community to give school supplies to area students. Just as the school year was underway, Hurricane Harvey tore through our county, leaving destruction and devastation in its wake.

You stood by us through the Tax Day and Memorial Day floods of 2016, but your response after Hurricane Harvey was like nothing Interfaith of The Woodlands has ever experienced. Volunteers arrived by the thousands, relief supplies overflowed our central office and multiple donations were given at an all-time record amount. Your generosity, and the generosity of those from all over the country, prompted Interfaith to take the lead as the donations manager for the entire county. Collaborating with our local congregations, nonprofit organizations and government officials, more than 12,000 volunteers served nearly 28,000 individuals.

From job loss to major health problems, crisis happens every day in our area. For 44 years, Interfaith of The Woodlands has been able to assist individuals, seniors and families when they need help the most because of friends like you. Thank you for working with us to turn someone's darkest time of need, into a time of blessing and possibility.
