HURRICANE BERYL RECOVERY INFORMATION

FALLEN TREES

Report fallen trees that are blocking roadways to Montgomery and Harris counties.

- Harris County Precinct 3 | 713-274-3100
- Montgomery County Precinct 2 | 281-259-6492
- Montgomery County Precinct 3 | 281-367-3977
- Montgomery County Precinct 4 | 936-597-4444

It is the homeowner's/property owner's responsibility to remove trees that have fallen onto private property.

STORM DEBRIS REMOVAL

During a Declared Disaster, the **COUNTY** assumes responsibility for storm debris removal. The Woodlands Township is not responsible for storm debris pickup. Waste Management will not remove your storm debris unless it complies with their curbside guidelines.

1 SEPARATE YOUR DEBRIS

Yard/vegetative debris (such as tree limbs, branches, and pine needles) should be separated from construction debris (such as fencing and drywall).

2 PLACE YARD DEBRIS BY CURB

Place yard/vegetative debris as close to the curb as you can. Do not place it in the road or ditches. Do not place construction debris by the curb. Neither the county or Waste Management will remove construction debris. The homeowner is responsible for removing construction debris.

3 SUBMIT SERVICE REQUEST FORM

All residents must submit a request form to the county to have their yard/vegetative storm debris removed. Scan the codes below for your county's form.

**HARRIS COUNTY
DEBRIS REMOVAL FORM**

**MONTGOMERY COUNTY
DEBRIS REMOVAL FORM**

Contact your county precinct directly for more information.

- Harris County Precinct 3 | 713-274-3100 | pct3.com
- Montgomery County Precinct 2 | 281-259-6492 | comprecinct2.org
- Montgomery County Precinct 3 | 281-367-3977 | precinct3.org
- Montgomery County Precinct 4 | 936-597-4444 | mctxpct4.org

Residents may report fallen trees from Township property onto private property through the **311 web portal or app**, by emailing **311@thewoodlandstowship-tx.gov**, or calling **281-210-3800**. Please provide a detailed description so we can efficiently enter and prioritize the work order into our system. While the Township is not responsible for trees that have fallen onto private property, we may clear them as a courtesy.

WASTE MANAGEMENT PICKUP

Waste Management regular service will pick up yard/vegetative debris that complies with their curbside guidelines (listed below). Residents who did not experience major yard and tree damage during the storm may opt to follow these guidelines to have small piles of debris removed by Waste Management on their normally scheduled pickup day. Please follow the **4" inches by 4' feet by 40-pound rule**. Branches, tree limbs and trimmings must be:

- No larger than 4 inches in diameter.
- Branches trimmed to 4 feet in length.
- Weigh no more than 40 pounds.
- Tied in bundles no larger than 4 inches thick.
- Placed in an open container or bagged in a certified compostable plant-based bags of Kraft (paper) lawn bags.

BULKY OVERSIZED PICKUP

Waste Management will remove any material or item that cannot fit inside your waste cart per their bulky guidelines.

Bulky trash service must be scheduled at least 2 business days before your normal service day. Contact Waste Management at 1-800-800-5804 or cssatex@wm.com to schedule. This service is provided at no additional cost. Bulky trash is not offered on the 2nd or 4th Friday of the month due to the Bulky Cardboard schedule.

ACCEPTED ITEMS

- Fencing items and decking. Up to 2 bundles. Max length 6 feet tied and bundled. 5 boards per bundle.
- Furniture, mattress and box springs.
- Carpet in 4-foot bundles, limit 2.

UNACCEPTED ITEMS

- Construction and home improvement debris.
- Electronics such as TVs and computers.
- Extra bags of trash.
- Brush or yard trimmings.

DEBRIS REMOVAL TIMELINE

Hurricane Beryl impacts can be felt all over the greater Houston-Galveston region. The debris removal process will take time and patience. Each county precinct operates individually and will have varying timelines regarding when debris will be removed. Rest assured, the counties are doing everything they can to make this process as quick as possible. This is why it is so important for residents to fill out the Removal Request Form as mentioned. The QR codes are on the front of this flyer for your convenience. While an exact timeframe cannot be provided for removal, it is likely to take several weeks to complete.

RESIDENT DROP-OFF LOCATIONS FOR STORM DEBRIS

Residents have different options if they would like to dispose of their debris themselves.

- **The Woodlands Township Recycling Drop-Off Center** located at 5402 Research Forest Drive, will accept yard/vegetative debris such as leaves, limbs and branches loose or in a compostable bag, and branches that are no wider than 6” inches in diameter and 6 feet long. Free drop-off facility for residents located within the Township’s jurisdictional boundaries only. **Center may close if capacity is reached.**
Hours: Wednesdays, 4 to 7 p.m. & Saturdays, 9 a.m. to 2 p.m. Phone: 281-210-3800
- **The Montgomery County Precinct 3 Recycling Facility** located at 1122 Pruitt Road, will accept bagged leaves and trimmings, branches no wider than 6” inches in diameter and 6’ feet long, and residential home improvement, wood and misc. non-kitchen waste landfill items for a fee.
Hours: Monday-Saturday 8:30 a.m. to 4:30 p.m., Closed 11:30 a.m. to 12:30 p.m. Phone: 281-367-7283
- **Nature’s Way Resources** located at 101 Sherbrook Circle, Conroe, 77385, will accept loose or non-bagged leaves and grass (free) and other yard waste including tree limbs, branches, logs and more for a fee.
Hours: Monday-Friday 8 a.m. to 5 p.m. and Saturday 8 a.m. to 2 p.m. Phone: 936-273-1200

REPORT PROPERTY/HOME DAMAGE FROM HURRICANE BERYL

The Texas Division of Emergency Management (TDEM) gathers information on property and home damages resulting directly from a Declared Disaster. Reporting damages to TDEM is voluntary and does not replace the need to report damage to your insurance agency. Information submitted is not collected by or provided to The Woodlands Township. Scan code to submit form.

PERMITS TO REPLACE FENCING, TO REMOVE A TREE & HOME REPAIRS

Residents will still need a permit for removals and repairs; however, compliance deposits will be waived for those making repairs following the storm. Applications for minor repairs will be expedited to assist people trying to make emergency repairs. Third-party code inspections will still be required. Scan code to apply for a permit.

PATHWAYS TRAILS AND PARKS CLEANUP

The Township Parks and Recreation Department is actively working to address the impacts of the recent hurricane throughout the park and reserve system. The 200+ mile pathway system and 150+ parks will take time to restore to their previous conditions. The Township is working to inspect all of the parks and identify any damage to amenities or structures. Minor cleanup (debris) will be addressed in the next two to three weeks during normal landscape maintenance. Downed trees will be removed on a priority system based on impact to the park and type of park (townwide, village, area or neighborhood). Repairs will be made to the infrastructure but may take an extended time due to procurement, manufacturing and construction schedules.
